About *Claudia*

They say that knowledge and imagination are the key to one's success: the key is to combine them with the adequate expertise and savoir-faire.

I represent exceptional, family owned boutique hotels and private yachts in Italy and Holbox/ Mexico that reveal the soul of their owners: not merely time spent admiring and rejoicing in splendid surroundings, but a journey into local habits and traditions, nurtured by unique personalities and delivered with love.

I can illustrate and introduce you to the magic of all these institutions, located in some of the most astonishing areas of Italy and Mexico. Mountains reflecting in the stunning lakes in northern Italy, where painstaking attention to details emerge in a gentle, Belle Époque atmosphere; towering, imposing and simply unforgettable Dolomites will have you in awe; cypress-adorned winding roads in Umbria and Tuscany, with their exquisite culinary delights and prime wine production, will struck you. But also North African sunsets in a small Sicilian island and the proud traditions, combined with the stunning natural backdrop of Sardinia.

The pristine sands on the shores of an idyllic Mexican island will nourish your soul and lull your spirits.

Where does Claudia Da Rin Luxury Hospitality, the company I established in 2000, fit in amid all this excellence?

- More than 25 year professional experience in luxury hospitality
- An extension of the Hotel sales team
- Detail informations about destinations & Hotels
- Solving any riddle you may have relating to these areas
- The right suggestion for every customer
- Save time and have more impact
- Organization of fam trip

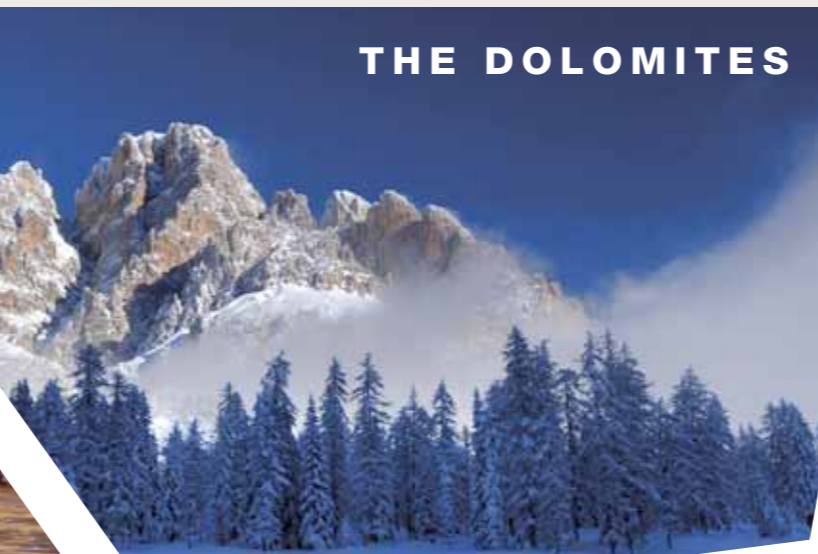

Working in the B2B and B2C environments, I embrace person-to-person (P2P) marketing and connect with all customers and clients on a human level.

Poetry in a glass

FRIULI WINE AREAS

THE COLLIO DISTRICT

It is a well-known fact that some of the best wines in the world are produced on the peninsula, with regional variations adding spark and character to that ever-pleasing Italian allure.

Among its vast cultural and historical heritage, eclectic, proud, captivating Friuli-Venezia-Giulia boasts the **Collio** area: strewn with gentle vineyards and blessed with a special climate and soil, known as *Ponca* or *Flysch*, this district sits on the border with Slovenia and fosters the production of outstanding (primarily) **white wines**, among the best in the country. Awarded the DOC label as early as 1968, *Collio Bianco* was the first of a series of superb varieties, such as *Pinot Grigio*, *Pinot Bianco*, *Ribolla Gialla* or *Friulano*, with connoisseurs captivated by their fresh, mineral rich, aromatic and balanced taste.

The renowned dessert wine *Picolit* is also a local product of excellence: produced in very small quantities, making it rare and exclusive, this wine is elegant and harmonious, exuding all the features that reveal its unique nature.

Wines from the Collio area are best defined as “poetry in a glass”, for they convey the harmony of the bucolic landscape they are produced in: evocative, hill-top **San Floriano al Collio** is a charming village that sits on the *Strada del Vino e delle Ciliegie* (the wine and cherry route), with vine clad roads connecting lovely churches, fortresses and serene hamlets.

Habsburg-style **Cormons** is the main municipality and is dominated by the Quarin Mount, where the first local settlements were established, back in Roman times. The wetland **Preval** area features small lakes and meadows where you will find deer roaming free and ducks: ideal for relaxing strolls and hikes, its calmness is echoed by the lovely **Plessiva wood**, replete with oak trees and popular with walkers.

Linking **Capriva del Friuli** with Sermons, the *Sentiero delle Vigne Alte* offers hiking, mountain biking and horse-riding opportunities among gentle vineyards that open onto superb views, reflecting the perfect balance between man and nature in a region that stuns and amazes with its natural, historical and cultural gems.

Visual Artist, writer, speaker and therapist of “*A course in miracles*”. She has participated in mayor spiritual events across the globe and she has collaborated with **Juan Miguel Sanchez** to create one of the most important methods in Mental undoing: *Sincrodinamic*. @habiramy_official

Since her youth she heard the call of the need to change her perception and started meditating listening to *Krishnamurti*. Fifteen years ago she started a deep immersion in the guidelines she has studied about *Buddhism, Yoga and non duality*. After this moment, she started developing along with Juan Miguel Sanchez a therapeutic method called *Sincrodinamics*, a technique of mental undoing which heals the mental blockade in our minds, a listening method in which the person becomes aware of the believes that block our mind through reiterate behavior. With this technique the companion and the accompanied free the mind of unconscious programs which dictate the way the human experience happens and take awareness to undo their own mental knots. *Sincrodinamics* helps you free your mind, and your limiting believe and finding yourself in the pure and empty state you are.
